The LogiPlan Formula for Success

LogiPlan was fashioned with four key service objectives in mind:

- to bring personalised service to meeting & event planning;
- to provide a cost effective alternative to what is currently offered in the market;
- to offer our professional services from a global position;
- to use relevant, cutting edge technology

LogiPlan takes a "Green" approach to our meetings & events. View our website for more information about our Corporate Social Responsibility Policies.

LogiPlan partners with a worldwide team of experienced vendors to create an impressive experience for your delegates.
